On or before December 1 of each year, the Union shall provide the current prevailing agency fee for the previous year as set by SEA.

6.2 Each member of the bargaining unit who, on the effective date of this Agreement, is a member of the Association, and each employee who becomes a member of the bargaining unit and the Association after that date shall continue his/her membership in the Association during the duration of this Agreement; provided however, that an employee may at his/her discretion and in writing, withdraw his/her membership from the Association any time within twenty (20) calendar days following the effective date of this Agreement.

It is expressly understood and agreed that such refusal or withholding of leave or time off shall be reasonable and not arbitrary.

7.5 Two members of the bargaining unit, as determined by SEA, shall be permitted to use annual leave or to exchange work shifts for the purpose of attending the annual convention of the State Employees' Association.

**ARTICLE 8**

10.2 All written warnings, suspensions, and discharges must be stated in writing and the reason(s) stated and a copy given to the employee(s) and the Association.

10.3 Any suspension with pay shall be considered an administrative action and not a disciplinary action.

**ARTICLE 11**  
**Grievance Procedure**

11.2 For the purpose of this Agreement, a grievance is defined as only those disputes involving the interpretation, application or alleged violation of any provision of this Agreement. Grievances shall be processed in accordance with the following procedures within the stated time limits.

11.3 Any and all time limits specified in the grievance procedure may be waived by mutual agreement of the Parties. Failure by the employee to submit the grievance in accordance with these time limits without such waiver shall constitute an abandonment of the grievance.

11.4 An individual member of the bargaining unit may present an oral grievance to his/her employer without the intervention of the exclusive representative. Until a grievance is reduced to writing, the Association shall be excluded from a hearing if the employee so requests; but any resolution of the grievance shall not be inconsistent with the terms of this Agreement.

11.5 Steps in the Grievance Procedure.

11.5.1 Step 1: Any employee who has a grievance shall submit it first in writing to the Chief of Police, or his/her designee within ten (10) working days of the incident giving rise to the grievance, or the grievant's first knowledge thereof, in an attempt to resolve this matter. The grievance shall identify:

- a. the particular contract section(s) alleged to have been violated.
- b. the nature of the act or omission, its dates and times, if known, and the person(s) causing the violation, if known.
- c. the loss or injury claimed.

- d. the remedy sought.

The Chief of Police shall hold a hearing within five (5) work days of receipt of the written grievance and shall render a decision in writing no later than ten (10) work days following the date of the hearing.

11.5.2 Step 2: If the grievance is not resolved to the grievant's satisfaction at Step 1, an appeal may be filed with the Town Manager in writing within five (5) work days of the receipt of the decision at Step 1. All documentation presented at Step 1, along with the Step 1 decision, shall accompany the appeal to the Town Manager. Town Manager, or his/her representative, shall hold a hearing within ten (10) work days of receipt of the appeal from Step 1 and shall render a written decision no later than ten (10) work days following the hearing:

11.5.3 Step 3: If the decision of the Town Manager does not resolve the grievance, the Association shall have the sole right to appeal that decision and the matter shall be submitted to arbitration providing the Association notifies the Town Manager of such request within ten (10) work days of the receipt by the Association of the Town Manager decision. The following procedure shall be used to secure the services of an arbitrator:

- a. The Parties will attempt to agree upon a mutually satisfactory third party to serve as arbitrator. If no agreement is reached within ten (10) workdays following the date the request for arbitration was received by the Town, the American Arbitration Association will be notified by either or both Parties and requested to submit a roster of persons qualified to function as an arbitrator.
- b. The Parties shall choose a mutually satisfactory arbitrator from the list submitted within ten (10) workdays, or request a second list.
- c. If within ten (10) workdays of receipt of the second list the Parties are still unable to agree upon a mutually agreeable arbitrator, they shall request that the American Arbitration Association appoint an arbitrator.
- d. Neither the Town nor the Association will be permitted to assert any evidence before the arbitrator, which was not previously disclosed to the other Party.
- e. The arbitrator shall limit him/herself to the issues submitted to him/her and shall consider nothing else. He/she shall be bound by and must comply with all of the terms of this Agreement. He/she shall have no power to add to, delete from, or modify in any way the provisions of this Agreement. The arbitrator may award a "make whole recommendation", but may apply no penalty payments.
- f. The decision of the arbitrator shall be final and binding on the Parties.

- g. The costs for the services of the arbitrator, including their per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Town and the Association. Any other expense shall be paid by the Party incurring same.
- h. It is expressly understood that either Party may initiate a meeting with the other Party to resolve the grievance prior to going to Step 3, and the other Party shall be available for such meeting.

11.5.4 Powers of the Arbitrator: It shall be the function of the Arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after proper hearing on a properly filed and processed grievance referred to him/her as set forth above, to make a decision in case of an alleged violation of the specific articles and sections of this Agreement. The decision of the Arbitrator shall be based exclusively on the evidence presented at the arbitration hearing and the provisions of this Agreement. The Arbitrator's decision shall not be based on any statutes, decisions, regulations or other extra contract matters not specifically incorporated into this Agreement. The Arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted.

1. The Arbitrator shall have no power to add to, subtract from, alter, or modify any of the terms of this Agreement or any of the functions or responsibilities of the parties to this Agreement.
2. The Arbitrator shall have no power to change any practice, policy, or rule of the Town nor to substitute his/her judgment for that of the Town as to the reasonableness of any such practice, policy, or rule, unless such practice, policy, or rule is in violation of a specific article and section of this Agreement. His/her powers shall be limited to deciding whether the Town has violated the express article and sections of this Agreement; and he/she shall not imply obligations and conditions binding upon the Town from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Town.
3. The Arbitrator shall have no power to substitute his/her discretion for the Town's discretion in cases where the Town is given discretion by this Agreement.
4. The Arbitrator shall only have the authority to pass on a grievance referred to him/her as prescribed herein.
5. The Arbitrator shall be without authority to make any decision which requires the commission of any act prohibited by law or which is violative of the terms of this Agreement.

At the time of the arbitration hearing, both the Town and the Association shall have the right to call any employee as a witness and to examine and cross-examine witnesses. Each party shall be responsible for the expenses of the witness that they may call. The parties shall submit to each other a list of all arbitration witnesses to be called in the hearing no less than forty-eight (48 hours) in advance of the scheduled hearing date. At the close of the hearing, the Arbitrator shall afford the Town and the Association the opportunity to furnish briefs.

The Arbitrator will render his/her decision within thirty (30) days from the date the hearing is closed or the date the parties submit their briefs, whichever date is later.

11.5.6. Jurisdiction of the Arbitrator: The jurisdiction of the Arbitrator shall be limited to the determination of grievances which involve an alleged violation of a specific article and section of this Agreement and which have been properly filed, processed and referred to the Arbitrator as set forth above. If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. If the grievance concerns matters not subject to arbitration, the Arbitrator shall return the grievance and all documents relating thereto to the parties without decision.

11.6. "Work days" shall mean Monday through Friday, excluding holidays designated in Section 15.1.

#### **ARTICLE 12**

#### **Seniority, Promotions, Assignments, Transfers, Probationary Period**

12.1. Accrual: For purposes of promotion, vacation choice, transfer, layoff, recall and other benefits, an employee's seniority shall be equal to his/her years of service or employment with the Town in a position covered by this Agreement unbroken by any of the reasons for termination of seniority specified in Section 12.2 below. Upon successful completion of his/her probationary period, a regular full-time employee acquires seniority retroactive to his/her first day of employment.

12.2. Term of Seniority: Seniority for all purposes shall be terminated for any of the following reasons:

- a. Voluntary quit.
- b. Discharge for just cause.
- c. Failure to report for work in accordance with the provisions of a recall notice.
- d. Failure to report for work at the end of a leave of absence or extension thereof.
- e. Failure to be recalled from layoff or failure to return to work due to any non occupational connected illness or accident for a period of twenty-four (24) months.

f. Retirement.

12.2.1. An employee shall retain, but not accrue seniority while on layoff subject to the limitations in 12.4.

12.2.2. There shall be no break in seniority for employees who are promoted or transferred to positions within the police department which are excluded from the bargaining unit, and shall later return to a bargaining unit position.

12.3. Seniority List: Annually, the Town shall establish and post a seniority list which list shall be subject to amendment from time to time as circumstances warrant. Employees shall be listed by classification in order of decreasing seniority and the list shall include the most recent date of hire. Any unresolved disputes concerning the seniority list shall be adjusted through the grievance procedure.

12.4. Lay-Offs: The Town shall give written notice to the affected employees of any proposed lay-off and the reasons therefore at least fourteen (14) calendar days before the effective date thereof unless circumstances beyond the control of the Town prevent this length of notice.

12.4.1. In the event a layoff occurs, the least senior employee(s) in the job classification(s) affected shall be laid off according to their ranking on the seniority list. A Sergeant who is notified of a layoff shall be permitted to bump into the position of the least senior patrol officer.

12.5. Recall: Employees shall be recalled from layoff in the reverse order of their layoff. Recalled employees shall be sent a recall notice by certified mail to the last known mailing address as provided by the employee to the Town. It shall be the employee's responsibility to up-date such mailing address as necessary.

12.5.1. Any recalled employee who fails to contact the Chief of Police within three (3) work days of receipt of the recall notice shall be considered to have voluntarily resigned his/her employment; subject to any prior written mutual agreements which may alter this provision.

12.6. Promotions and Assignments

A. Prior to filling a promotional or assignment vacancy, the Town shall establish a promotional list based on an objective approach for rating the elements in the process and which will result in a final overall numerical score for every candidate.

B. Prior to embarking on a promotional or assignment process for any position in the bargaining unit, the Chief shall reduce to writing the details of the process which shall include eligibility criteria, elements of the process and weights to be applied to each element, and shall provide this written summary to the Union. However, any change in eligibility criteria should not deny a

bargaining unit member a reasonable opportunity to become eligible for promotion. The Chief will take written comments from the Union with respect to this process prior to implementing it, but shall have final say over the details of the process.

C. At the time each promotion or assignment process is developed, the Chief will stipulate the promotion or assignment vacancy or vacancies which the process will be used to fill. Any promotion or assignment list resulting from any such promotion or assignment process will be automatically void on the filling of the stipulated vacancies, unless it is otherwise agreed in writing between the Town and the Union to extend the life of said promotional list to a future date certain.

D. During emergency situations the Chief of Police or his designee may fill any promotional or assignment vacancy or vacancies temporarily without implementing the promotion or assignment process. It is agreed by the parties that the Chief of Police will initiate the promotion or assignment process as soon as possible but not to exceed past one month before the process.

E. It is agreed by the parties that the Chief shall have final say in choosing the candidate for promotional or assignment appointment from the list which results from the process.

12.6.1. The Town shall post all open unit *promotions or assignments* on employee bulletin boards for a period of seven (7) calendar days. The posted *promotions or assignments* shall contain the following: Title of job, Minimum qualifications, Minimum salary, Closing date of application.

12.6.2. Any employee who is promoted or transferred to any position represented by this Association shall serve a probationary period of six (6) months during which time the Chief of Police may return the employee to his/her former position. The employee may also voluntarily return to his/her former position during the probationary provided an opening exists.

12.6.3. When an employee is promoted to a non-union position, management or the employee can choose to return the employee to the Union position without a loss of seniority for a period of up to six months following the promotion.

12.7. Probationary Period: Police employees shall serve a probationary period of twelve (12) months. During the probationary period, the probationary employee may be discharged at the sole discretion of the Town and neither the reason nor the discharge may be the subject of a grievance. All employees entering the bargaining unit covered by the Agreement from any other Town department will serve the required probationary period.

**ARTICLE 13**  
**Hours of Work, Overtime, Compensation Time**

13.1. For Patrol Officers, Sergeants, and Lieutenants, the basic work week shall consist of four (4) ten and one-half (10½) hour days. The Prosecutor's work week shall consist of 40 hours.

For any officer(s) who are chosen for a full-time assignment as School Resource Officer, it is understood that their basic work week shall consist of five (5) eight and one-half (8½) hour days. This is due to specific times of the day and week they are needed to carry out particular responsibilities within the school system. If school is not in session and the School Resource Officer is not performing responsibilities related to the school during that time, their workweek shall consist of four (4) ten and one-half (10½) hour days. Any officer assigned as School Resource Officer also must be qualified as a Patrol Officer, and shall be assigned as a Patrol Officer when not assigned as a School Resource Officer.

13.2 All employees who are paid on an hourly basis shall earn overtime payment for all hours worked beyond their regular work day. Overtime will be paid at one and one-half (1 1/2) times the employee's regular rate. Overtime shall be based on the number of hours worked; however, credit in computing the regular work day or work week shall be given for personal days and annual leave which fall during the day or week.

In general and as outlined and described in the Fair Labor Standards Act certain employees though covered by the FLSA, are exempt from some of its provisions with regards to overtime, the exemptions include employees who fall into the category of executive, administrative, and professional. With special provisions applying to employees that work in public safety.

Personnel shortages, peak work loads and other emergency situations may make it necessary for an employee to work beyond the regularly scheduled work week. Police department non-exempt employees will be paid overtime after 8.5 hours are worked per day. Overtime is calculated at the rate of time and one-half for all hours worked over the hours addressed above. Compensation will take the form of either time and one-half pay or compensatory time. Compensatory time is paid time off at the rate of one and one-half hours off for each hour of overtime worked.

The employee's supervisor or the Department Head must approve overtime. Overtime shall be offered on a rotating basis to full-time members of the bargaining unit on the basis of the seniority list established per Section 12.3. Overtime earned will be paid on the next regularly scheduled payroll date, unless the employee and the Department Head mutually agree in advance the overtime will be banked as compensatory time in lieu of payment. Overtime may take the form of compensatory time if mutually agreed in advance. This advance agreement can be the employee's signature on the timesheet indicating in the boxes provided on the timesheet whether he/she would

prefer to receive compensatory time rather than paid overtime for the overtime hours worked on that payroll period.

The maximum compensatory time that can be accumulated at one point is 42.5 hours. The use of compensatory time falls under the same rules as leave time as outlined in Article 16 of the Collective Bargaining Agreement.

All overtime will be marked as such on the timesheet. All compensatory time will be marked as such on the timesheet both when earned and when it is used. The Town of Littleton Finance Department will maintain compensatory time records for all non-exempt employees. All compensatory time accrued and not used will be paid when the employee leaves the town's employment at the rate of pay the employee is earning at that time. Any unused compensatory time that is not used by the end of December each year will be paid out at the rate of pay the employee is earning at that time.

13.3. Any Patrol Officer or Sergeant called back to work after leaving the work premises shall be guaranteed a minimum of not less than three (3) hours pay at the rate of time and one half (1 1/2) the regular hourly rate.

13.4. The Chief of Police, or his designee, retains full control of all shifts, schedules and rotations. Any changes or modifications the Chief of Police, or his designee, make to any shifts, schedules or rotations will be posted in writing for a period of no less than one week. Any group or individual changes to any shifts, schedules or rotations will be made for reasons of good cause.

In situations based on emergency capacity, the Chief of Police, or his designee, may make changes or modifications to any shifts, schedules or rotations within the limitations and protections afforded by statute.

13.5. If the individual in the position of Chief of Police changes during the term of this contract, any new individual in that position will meet with representatives of the bargaining unit and Town management prior to initiating changes in the schedule.

13.6. *Detail*

13.6.1. Definition: Any work to which a full-time officer is assigned that is not regular duty, overtime or recall. Assignment of detail work shall be accomplished in accordance with Section 13.3. Detail will be considered either "outside" or "inside". Inside detail assignments include events for Memorial Day, Veterans Day, Littleton School Functions, Safety events and activities in support of other Town Departments upon mutual agreement of the Town and the Union. All other detail assignments will be considered outside detail.

13.6.2. Outside detail assignments shall be compensated at a minimum rate of four (4) hours pay at one and one-half (1½) times the officer's regular hourly rate of pay or \$38.50 per hour, whichever is greater. Inside detail assignments shall be compensated

3/17/2010

at a minimum of four (4) hours pay at one and one-half (1½) times the officer's regular hourly rate of pay or \$35.00 per hour, whichever is greater. All detail assignments shall be first offered to full-time officers.

13.6.3. On an annual basis the Town shall consult with the Association to determine the detail rates.

13.7. No employee shall be relieved of duty during the regular shift hours in his/her basic work week in order to compensate or offset overtime hours worked unless agreed to by the employee.

13.8. For the purposes of computing overtime, the work week shall be considered to begin at the beginning of the employee's day shift on Monday and end at the end of the third shift the following Sunday.

13.9. Employees shall receive no step increase during the 2010 – 2011 contract year or the 2011- 2012 contract year. This will replace step movement on anniversary dates of hire. If this Agreement is not renewed beyond March 31, 2013 by the statutory evergreen law (RSA 273-A:12 VII), employees who are not on the top step of the schedule shall advance one step on April 1 each year until a new Agreement commences. It is understood that the position of Police Prosecutor will be a salaried position.

14.2. The bargaining unit and the Town will jointly review a market study of comparable wages for similar positions prior to negotiation of a successor collective bargaining agreement to this Agreement. The information in the market study may be used by both parties during negotiation of a successor agreement, but it shall not be binding upon either party.

14.3. Current employees are assigned to steps and are expected, except as provided for in Section 19.1, to matriculate during the term of the contract.

---

<sup>1</sup> The step increase on March 31, 2010 is pursuant to the parties' agreement to delay the step increase for 2009-10 until that date under the 2007-10 collective bargaining agreement.

14.4. Newly hired employees will normally be paid at the start step of the pay plan. However, anything herein to the contrary notwithstanding, the Town reserves the right through its Town Manager, to negotiate with new employees a start step in the plan that is appropriate to the new employee's experience or market conditions at the time up to step four (4) of the plan. Any hiring above step four may be done only with the agreement of the Union. The Town Manager may also negotiate the amount of vacation a new employee starts with. In all other respects, the new employee will start as provided herein.

14.5. Employees who receive promotions from one job class to another shall be placed at the lowest step which represents a pay increase of not less than five percent (5%).

**ARTICLE 16**  
**Leave Administration**

16.1. Annual Leave

16.1.1. Leave Time is an alternative approach to the traditional manner of covering absence for vacation, personal days, and sick leave. Instead of dividing benefits into a specific number of days for each benefit, Leave Time puts those days together into a single benefit.

Leave Time days can be used for a variety of purposes. The exact number of Leave Time days available each year will depend on the years of service to the Town. Leave time can be used only after it has been accrued.

Accrual of Leave Time shall be based on a completed calendar month of service. No accrual shall be granted for the month in which the employee is hired after the 20<sup>th</sup> of the month. Said employee's accrual of Leave Time shall begin after the completion of the first month following the date of hire. If an employee terminates (either voluntary or non-voluntarily) before the 20<sup>th</sup> of a month, no Leave Time will be accrued."

NOTE: Worker's Compensation is NOT affected by Leave Time.  
Bereavement Leave is NOT affected by Leave Time.

Coverage

Employees who are employed in a full time position of at least 30 hours week are covered by Leave Time. The accrual rates are as follows:

Months of Service	Monthly Accrual Rate
0 – 12	1 days
13 – 24	1.25 day
25 – 120	1.75 days
121+	2.25 days

Formatted

Employees accumulate Leave Time based on regularly scheduled hours worked (other hours worked beyond normal schedule such as overtime are excluded) and on years of service to the Town.

16.1.2. Employees shall be permitted to utilize their Leave Time in any size increment. Use of Leave Time at a particular time is contingent upon approval by the Chief. The employees shall submit their Leave Time requests as early as possible in the calendar year, in any case at least two weeks in advance, unless waived by the Chief of Police. Upon submission of the Leave Time request the Police Chief shall notify the employee of approval or denial of said Leave Time within a week, unless in the case of a waiver of the submission time or a two week submission request, the Chief shall notify the employee within 48 hours. Employees requesting singular Leave Time days or a portion thereof shall submit a written request to the Police Chief or his designee 48 hours in advance of the requested date. The Police Chief may waive the advanced notification requirement in the event of an unforeseen event or emergency. In cases where there are multiple requests for similar vacation periods, seniority shall prevail. Granting of request shall be on a "first come first serve basis" except when one or more not yet approved requests for the same period are before the Chief at the same time, in which case, seniority shall prevail in the granting of such requests.

16.1.3. Employees shall submit their Leave Time requests as early as possible in the calendar year, and in any case at least two weeks in advance, unless waived by the Chief of Police.

16.1.4. Probationary employees will be eligible for use of Leave Time after six months of service.

16.1.5 Employees shall be paid for all unused Leave Time upon separation from service with the Town. In the event of the death of an employee said Leave Time pay shall be paid to his/her estate.

16.1.6 Maximum Accrual: It is in the best interest of both the Town and the employee that employees utilize leave time on an annual basis so as to maintain a healthy perspective and to renew enthusiasm for the job. Additionally, it is important for the Town to ensure that the financial obligations associated with accumulated leave time is managed to avoid substantial "unfunded" liability.

Therefore, a maximum number of accrued Leave Days is established based upon total months of service. At the end of each calendar year, each employee will be allowed to carry no more than the established maximum number of accrued Leave Days into the new year. Excess Leave Days beyond the maximum allowed for accrual will be lost.

The Town Manager may waive the limitation under special circumstances such as a special vacation trip or critical job demands that prevent use of Leave Days.

<u>Months of Service on December 31<sup>st</sup></u>	<u>Maximum Accrual carry forward</u>
0 – 12	12 days
13 – 24	25.5 days

3/17/2010

25 – 120	34.5 days
121 – 180	39 days
181+	42 days

\* Computation of maximum accrual will occur as of December 31st of each year.

16.1.6. Members of the Union may participate in the Leave Time Exchange Bank program offered by the Town as defined in the Town Personnel Policy.

16.1.7. Members of the Union may participate in the Leave Time Liability Reduction Program offered by the Town as defined in the Town Personnel Policy. In accordance with the guidelines of the Leave Time Liability Reduction Program it is understood that members of the bargaining unit may use compensatory time as outlined in Article 13 to apply towards the program.

16.2. Authorized Absence Without Pay:

16.2.1. The Town Manager, at his/her discretion, may grant a leave of absence without pay for a period not to exceed one year. Except in unusual circumstances, such absences will be for the purpose of tending to personal affairs during short periods which the employee is unable to cover with accrued vacation leave, or to cover absences resulting from bona fide sickness or other physical disability, excluding a work related injury which the employee cannot cover with accrued sick leave.

16.2.2. For such absences of thirty (30) calendar days or less, the employee will continue to accrue leave credits and health insurance benefits will remain in effect.

16.2.3. For such absences of thirty-one (31) calendar days or more, leave accrual and other benefits shall be suspended until the employee returns to work.

16.2.4. Employees may continue health insurance coverage during the authorized absence by paying the applicable premium to the Town.

16.2.5. An employee who has been granted such an authorized absence shall not be considered to have broken his/her continuous employment with the Town although the period of such leave of absence shall not be counted toward the employee's continuous employment with the Town.

16.3. Bereavement Leave:

16.3.1. When death occurs in an employee's immediate family as defined below, the employee, on request, will be excused for any of three (3) normally scheduled working days between the date of death and the date of the funeral, inclusive. The immediate family is defined as including the employee's or the spouse of the employee's: spouse, child, mother, father, brother, sister, grandchild, grandparent, aunt, uncle, step-parent, step-child, step-brother or step-sister.

16.4 Maternity/Paternity Leave:

16.4.1. An employee shall receive two weeks pay at their regular rate when on leave for the birth of a child.

16.5. Jury Duty:

16.5.1. An employee with one or more years' seniority who is summoned and reports for jury duty, as prescribed by applicable law, shall be paid by the Town and amount equal to the difference between the amount of wages the employee otherwise would have earned by working during straight-time hours for the Town on that day and the daily jury duty fee paid by the court or agency (not including travel allowances or reimbursement of expenses), for each day on which he/she reports for or performs jury duty and on which he/she otherwise would have been scheduled to work for the Town.

16.5.2. In order to receive payment, an employee must give the Town prior notice that he/she has been summoned for jury duty and must furnish satisfactory evidence that he/she reported, for or performed jury duty on the days for which he/she claims such payment. The provisions of this section are not applicable to an employee who, without being summoned, volunteers for jury duty.

16.6. Military Leave:

16.6.1. An employee with one or more years seniority who is called to and performs short-term annual active duty for training as a member of the United States Armed Forces or National Guard, shall be paid as provided herein for days spent performing such duty provided the employee would not otherwise be on layoff or leave of absence. In order to receive payment under this paragraph, an employee must give the Town prior notice of such military duty and upon his/her return to work, furnish the Town with a statement of a military pay received for performing such duty. Payment under this paragraph is limited to a maximum of ten (10) working days in a calendar year. In computing the pay due the employee, if any, payment will reflect the difference between the employee's straight time rate for the days in question and the military pay if the straight time pay exceeds the military pay for the specified period. Extended military service assignments shall be compensated under prevailing state and federal laws.

**ARTICLE 17**  
**Insurance and Benefits**

17.1. The Town shall offer employees the opportunity to participate in one of the following health insurance plans: BC2T10-RX10/20/45 or MTB20IPDED-RX10/20/45. For employees who elect the BC2T10-RX10/20/45 plan offered by the Town, the Town and the employee shall pay:

This benefit does not supersede the requirements of FMLA laws.
