**1. DOC – Comp Time**

Commissioner has asked employees to use their comp time instead of annual leave. Some are maxing out on Annual leave and would rather take the Annual leave before the comp time so that don't lose accrued time.

**2. Maternity – C-Sections/Childbirth**

Looking at adding a new section for non-surgical birth. Will discuss at next meeting.

**3. Parking Stipend/MOA**

Tom will talk to Karen Hodgdon to see if there is a surplus and if so where it is.

**4. Veteran's Home – Schedule Changes**

Employees who are scheduled to work a weekend and call in sick or on annual are made to make up the weekend shift they missed.  
Tom and Dennis are going to look into this matter.

**5. Supplemental Sick Leave**

Acted on 17 Supplemental Sick Leave requests.
