1. Baylor Plan/NHH Nurses

New Hampshire Hospital would like to put in a new work plan. They would like to work two 12 hour shifts and two 8 hour shifts and call this a Baylor Plan. They would like to know how they would apply the existing shift differential to this plan.

Sara explained that this is not how the Baylor Plan works.

Sara asked for time to look at the Baylor Plan guidelines and at the Fair Labor Standards for the Baylor Plan.

This will be put on the agenda for the next meeting.
