**MEETING SUMMARY**

Meeting was called to order. Discussion ensued regarding our reluctance to endorse a recommendation to the upcoming convention. Conversation centered around the late implementation of Fair Share, without the data we could not make an informed recommendation concerning the dues structure for the Association. John made the motion: That the Dues Structure Committee (DSC) recommend that the Convention continue the DSC under the current directive till the next convention, when we should have all the information from the implementation of Fair Share, and can make an informed recommendation. The motion passed. The committee discussed the report to the convention, it was agreed that Brian would write it and pass it out to the members for comment. Meeting adjourned.

Respectfully Submitted,  
Brian Pike  
Chairman

**RECOMMENDATIONS TO EXECUTIVE BOARD**

Accept the draft minutes at the BOD meeting.
